Subject: Solicitation #16-B006R – Dive Lights

This Addendum No. 2 modifies the solicitation only in the manner and to the extent as stated herein.

I. Questions and Answers:

Q-1 With the dive lights bid, since it is a simple sale of goods, do I still need to include a notarized affidavit?

A-1 Yes. The Affidavit that applies to you for this solicitation is required to be sent with your bid and be notarized.

Q-2 What steps do I need to take to become a full contractor with CPD for the sale of dive team equipment and services?

A-2 Each time they require commodities or services, it has to be quoted or bid out depending on the dollar amount. If when a solicitation is done for CPD and they request that the solicitation be done as a contract for that particular service or commodity, then it will be stated that way in the solicitation and a contract will be awarded to the responsive and responsible vendor.

Q-3 Is the City willing to accept and evaluation alternative products that meet or exceed the specifications of the products identified in the bid by brand name?

A-3 The City will not accept an alternate product for the Light & Motion Sola Dive 2000. The City will accept a meet or exceed alternate for the Dive Rite LX25 LED Corded Primary Light NIMH Battery.

Q-4 Would the City amend the bid to state that they are willing to accept “brand name or equal” items, thus allowing the brand and product numbers specified to establish the characteristics and level of quality that will satisfy the City’s needs?

If the answer is no, can you provide explanation as to why the products identified in the bid by brand name and product number would not be considered “restrictive”?

A-4 This addendum amends the bid to accept a meet or exceed alternate for the Dive Rite LX25 LED Corded Primary Light NIMH Battery. The City will not accept an alternate for the Light & Motion Sola Dive 2000 for compatibility reasons.

Respondent shall acknowledge receipt of this addendum by completing this section and returning it with the Bid Submittal. Failure to acknowledge this addendum may be cause for rejection.
